touch with these centres yet: An expression of opinions & exchange of views would be advantageous to us all. Our membership is increasing & we feel confident that when a General Election takes place we will be able to organise & control the Irish vote in Glasgow.

What about your London meeting? When is it due? I have scanned the press for the last fortnight & have not seen any particulars about it yet. Let me know and I will be pleased to send Glasgow's pledge of loyalty to the movement in London. I am enclosing some of our propaganda 'stuff'. You can see what you think of it.

Yours as ever

P.D. Carey (Jr.)
